We are so excited to announce we now have a full therapy staff!! We want to welcome our full time speech therapist, Michelle Hogg, two part – time occupational therapists, Stefani Doyle and Angie Folczyk, and a part –time physical therapist, Lee Ann Morvai. We are now accepting outpatient referrals for speech, occupational, and physical therapy!

CDCB Parent Night

Please join us Thursday, March 24th from 5:30 – 7:00 for our Parent Night. The evening will consist of several topics. From 5:30 – 6:15 Jill Myers will talk to parents from CII and CIII on how to prepare and transition their child to kindergarten. Parents from CI and CIV will participate in your child's daily activities.

From 6:15 – 7:00 parents will have an opportunity to hear a presentation from our occupational therapist, Stefani Doyle, on Sensory Processing. This will be a great opportunity for parents to learn about Sensory Processing and ask any questions you might have. Please sign up outside your child's classroom if you plan to attend.

Kitchens of the Bluegrass Tour

We are quickly approaching our 9th Kitchens of the Bluegrass Tour. This is an opportunity for you or your friends to become a gold, silver, or bronze level sponsor or volunteer your time in helping us with this important fundraiser. The help and support that each and everyone offers is invaluable for the continuation of quality and care that CDCB provides. Please contact Heather Henry at hhenry@cdcgbg.org for more information on sponsorships and volunteer opportunities.

Thank you for your support!

Saint Patrick's Day or Paddy's Day, is an annual feast day that celebrates Saint Patrick, the most commonly recognized of the patron saints of Ireland, and is generally celebrated on March 17th. This is a national holiday of Ireland and is a holy day of obligation for the Roman Catholics in Ireland. Green ribbons and shamrocks are worn in celebration of Saint Patrick. Alltech's Lexington St. Patrick's Day parade and festival will be held downtown on March 12th from 11:00 am – 7:00 pm.
